MEMORANDUM FOR: Chief, Plans and Programs Staff, OL

FROM:

[REDACTED]

Deputy Chief, Logistics Services Division, OL

STAT

SUBJECT: Research and Development Proposals

In response to your call for submission of FY 1985 research and development proposals, the Logistics Services Division (LSD) desires to alert the Office of Logistics (OL) of the possibility that the timeframe cited may be an opportune period for the research and development of a classified trash-disposal system for the Agency's new building. If so, it would perhaps be advantageous for OL to elicit S & T's expertise in this matter. Otherwise, LSD does not have any proposals to offer for FY 1985 research and development.
